EVOLUTION MARTIAL ARTS

THE REVOLUTION #14 – JUNE 2008

There is a lot going on at EMA! We are expanding to provide an even better and bigger facility for you. We have our intense instructor training. We're planning so much cool and fun things for our students and their families. Not to mention, our wedding and special open house that everyone is invited to. The summer schedule starts July 3rd. The only change is the addition of kid's morning classes on Tuesday and Thursday. Kids can win prizes by earning tickets for attendance, effort, focus, etc. We have some family events, classes and more planned for everyone. We hope this will help with motivation during the hot (we hope) summer months. The new expansion has a brand new AC system so our students can train in a comfortable and safe manner. Thanks to all for letting us be a part of your lives. We are proud to have such awesome students and such good people to count as our friends. Let's make this an awesome summer at EMA!
