

EMA

EVOLUTION MARTIAL ARTS

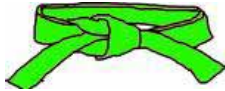

THE REVOLUTION #34 – MAY 2010

Summer at EMA!

This summer we have all kinds of fun events and special classes planned. As always we will be awarding points and prizes for attendance, attitude, focus etc. (more on this soon!). We will have a special summer schedule with day classes for children and theme weeks, with the intent to make it easier to attend your classes and make those classes even more fun! We know everyone gets "busy" and are away here and there during the summer, but remember, the commitment and dedication required. From our youngest Ninja to our Adults, martial arts is not a sport but a life skill. There is no "season". We will do all we can to make classes fun, while maintaining our integrity of training. We will have special family events and remember we have had a powerful central air system installed for the comfort of our students. We are all looking forward to some vacation time this summer, please be careful of taking too long a break. As always we will help students who miss a week or two with a free private class to get caught up. More than that can be hard to catch up. Let's have a great summer!

Stripe testing
May 3rd – 8th

Belt Testing
June 7th – 10th
