

EVOLUTION MARTIAL ARTS

THE REVOLUTION #43 – APRIL 2011

EMA has been voted the #1 martial arts school in the area for the 4th year in a row! We are also celebrating our 4th year anniversary! We have seen our school slowly grow and improve along the way with many students reaching their black belt. We look forward to another fun year, and helping our students grow and reach their goals. Also, next year for our 5th year anniversary we have a trip planned that the whole school is invited to! Imagine a karate class on the beach! More information about this soon!

Thank you to all our students that make EMA such a great place to train!
