

EVOLUTION MARTIAL ARTS

THE REVOLUTION #52 – MARCH 2012

My child is having an issue at home, school, sports etc.

I told them if they don't "smarten up" no more karate! We feel this is a mistake! At EMA we try to make the martial arts experience a positive one! Based on respect, responsibility, effort & honesty, which can be lacking in many other activities. We are here to help when your child has a challenge! With a sibling, focus at school, attitude etc. Many parents have used "how would your Sensei feel is he/she saw you behaving like that?" Don't get us wrong, we never want our students to be "afraid" of us. They need to understand responsibility/accountability for their actions. We are never disappointed in a student, even if we are unhappy with their choice or action. Everyone has a bad day or makes a mistake. We are here to help steer them in the right direction. There are many ways to discipline a child. No D.S, no XBOX, no TV etc. Taking away something that has a positive influence (like martial arts) should not be one of them. And yes parents, we are here to help!
