

EVOLUTION MARTIAL ARTS

THE REVOLUTION #65 – JUNE 2013

Team Evolution (EMA's Competition Team) & Team Canada!

EMA has never been a "competition first" school. We are about building character, life skills and self defense through martial arts. We do however have a special team who are dedicated to competing, headed up by Sensei Ashley who has competed very successfully locally and internationally. We were recently asked (chosen) to join Team Canada and represent our Country at an international competition in 2014. The cost to travel for this tournament is high. As such, we have been doing fundraiser BBQ's and donated 100% of our t-shirt sales to the students on our team, to help them achieve their dreams and goals to compete for Team Canada. We will continue to help and support them!

This is an amazing opportunity for all students of all belt levels! Anyone can do it! We practice our skills every week. You will learn cool competition forms (traditional and Creative), work weapons skills and increase your sparring skills, all while having fun with your EMA family! We encourage anyone who is interested to try it out. If you are interested, there are only a few spots left on the team! Please talk with Sensei Ashley.
