EVOLUTION MARTIAL ARTS

THE REVOLUTION #75 – JUNE 2014

Martial arts is not a sport. It is a way of life. There is no “season”. Commitment and dedication go hand in hand with being a Black Belt. We know a week or two off will not affect a martial artist (it is good for all). Too long a break can have negative effects for even the most dedicated student. We have A/C and allow t-shirts instead of uniform tops. Morning classes, we offer summer and curriculum camps to help keep students on track and free up family time. Keep your commitment and dedication this summer! There are no part time Black Belts!
