

EVOLUTION MARTIAL ARTS

THE REVOLUTION #78 – OCTOBER 2014

Trick-or-Treaters

- Carry a flashlight, and wear a watch
- Walk, don't run and stay on Sidewalks
- If no sidewalks stay on left side of road
- Obey traffic signals
- Stay in familiar neighbourhoods
- Don't cut across yards or driveways
- Make sure costumes and shoes fit
- Avoid wearing masks while walking from house to house
- Carry only flexible knives, swords or other props
- Wear clothing with reflective markings or tape
- Approach only houses that are lit
- Stay away from and don't pet animals you don't know

Parents

- Have your child eat dinner before setting out
- Ideally, young children of any age should be accompanied by an adult
- If your children go on their own, be sure they wear a watch, preferable one that can be read in the dark
- If you buy a costume, look for one made of flame-retardant material
- Older children should know where to reach you and when to be home
- Know where they are going and who they are with
- Although tampering is rare, always check the candy before they eat any

Homeowners

- Make sure your yard is clear of such things as ladders, hoses, and flower pots that can trip the young ones
- Pets get frightened on Halloween. Put them in to protect them from cars or inadvertently biting someone
- Battery powered jack o'lantern candles are preferable to a real flame
- If you do use candles, place the pumpkin well away from where trick-or-treaters will be walking or standing
- Non-food treats: plastic rings, pencils, stickers, erasers, coins
