

THE REVOLUTION #80– DECEMBER 2014

Happy Holidays!

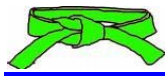

We would like to wish you and your loved ones a very happy Seasons Greetings all the best in the New Year!

Thank you to all who make EMA such an amazing place to be. We have had another awesome year here! From all the new Black belts, to the newest student getting their first stripe. To all the awards, medals and trophies won by our World Class Competition team to the fantastic report cards from our students. To the fun and friends and families we are lucky to have shared time with...an amazing year!

Of Course a HUGE thank you to everyone for the warm wishes and generous gifts as we welcomed our son Chance into our lives. We were floored by all the gifts and kindness shown to Chance and us. Thank you so much!
